WINES

SPARKLING

De Bortoli NV Prosecco	Glass	Bottle
King Valley, Victoria	7.5	36

Green tinged in colour, the nose offers bright perfumed lemon and limes and grapefruit flavours. As the creamy mousse dissipates, the ripe fruit flavours on the palate come to play; fleshy soft melons, apricots and peach are more evident. The wine on the finish shows soft acidity with a citrus and spritzig twist

ROSÉ

De Bortoli NV 'La Boheme act two', Dry	Glass	Bottle
Pinot Noir Rosé, Yarra Valley, Victoria	8.5	42

Light salmon pink which is easy on the eye, the nose is awash with strawberry, raspberry and spicy cherry like flavours. The palate is as dry as a bone and this is evident from the first sip. The fruit however is there for all to taste with strawberry/red cherry spice which is the hallmarks of this wine. The finish is crisp and dry

WHITE

Penny's Hill 'The Agreement', Sauvignon	Glass	Bottle
Blanc, Adelaide Hills, South Australia	9	44

A lively green straw in colour which has eye appeal. The nose is a mixture of fragrant tropical and herbaceous fruit flavours. The racy acidity carries the wine along as does the mixture of fruits such as citrus, gooseberry, grapefruit and blackcurrant bud flavours. A crisp dry style is assured as is the fruit which simply lingers on

Ninth Island, Pinot Grigio	Glass	Bottle
Pipers Brook, Tasmania	9	44

Pale green in colour indicating its youth, the wine has a perfumed nose of lime and green apple flavours awaiting your indulgence. The palate offers mouth-watering acidity with lots of citrus, pineapple and green apple flavours in copious amounts. The finish is dry and crisp with lively acidity and planet of fruit to go around

WINES

WHITE

Forrest Hill Estate, Riesling	Glass	Bottle
Mount Barker, Western Australia	8.5	42

Light Straw with green highlights around the rim. The nose is lovely and perfumed with orange blossoms, citrus and grapefruit flavours combined with hints of minerality. The palate is as fresh as a daisy; crisp acids intermingling with passion fruit, pear and hints of spice all nicely balanced. A clean, crisp and dry acid finish with a mineral streak

Plantagenet, Chardonnay	Glass	Bottle
Great Southern Highlands, New South Wales	9	44

Pale green straw in colour which gives way to an attractive bouquet of citrus, rock melon flavours and vanilla highlights. The palate is soft and fruity with stone fruits and citrus playing a central role. The mouth-feel is rounded with layers of creamy oak and vanillin which add to the texture. The acids are firm and the palate is long with great balance and length of flavour

RED

Cockfighter's Ghost, Pinot Noir	Glass	Bottle
Tamar Valley, Tasmania	9.5	47

See-through purple in colour with an inviting red/pink rim, the nose oozes plump ripe berry fruits with French oak seeping through adding vanilla highlights. The palate is fleshy and intense with nicely integrated oak which adds to the texture and flavour of the wine giving it great length. The wine has a velvety all round mouth feel with dark chocolate flavours adding to the flavour profile. This medium bodied wine is a sit-up and take note kind of wine with a spicy/licorice finish

Dal Zotto, Barbera	Glass	Bottle
King Valley, Victoria	9	44

The bright, almost see-through red/purple colour and purple rim is inviting on the eye. The bouquet shows ripe red currant notes, dark plums and spicy cinnamon flavours. The same fruits found on the nose are also found on the palate. The wine is medium bodied with minimum oak and tannins evident. The acid is firm and the spicy licorice flavours add to the enjoyment. A very pleasing wine and lighter style in every respect

WINES

RED

Hayshed Hill, Cabernet/Merlot	Glass	Bottle
Margaret River, Western Australia	9.5	47

Youthful ruby/crimson in colour, the fruit on the nose is rich and intense with mulberry, plum and red currant fruits coming to the fore. The text of the fruit and French oak envelopes the palate giving the wine a silky smooth, dry finish combined with a firm acid/tannin balance

Petaluma 'The Hundred Line', Cabernet Sauvignon, Coonawarra, South Australia	Glass	Bottle
	9.5	47

Deep purple with a crimson colour around the rim, the bouquet is complex and fragrant with dark fruits, hints of vanilla and spice coming from the French oak. This wine has intensity and richness coupled with well-handled oak/tannins on a long dry finish

Hancock & Hancock, Shiraz Granache McLaren Vale, South Australia	Glass	Bottle
	8.5	42

Deep crimson in colour, this wine has a lovely pink hue around the rim. The bouquet is nicely perfumed with a myriad of spicy red and blackberry fruits in abundance. The palate is rich and intense and full of character with plums, redcurrants and blackberry fruits all playing a central role in the delivery on the palate. The French oak is attractive and well handled; the acids and tannins are firm and nicely interwoven. This full bodied wine displays terrific length and fruit that lingers

Robert Oatley 'Signature Series', Shiraz McLaren Vale South Australia	Glass	Bottle
	9	44

This wine is deep purple with a violet/crimson rim. The bouquet is richly flavoured with French oak sitting nicely in the background and not overpowering the fruit. The blackcurrant, black olive and pepper give the wine a spicy dimension but the fruit over-delivers. The wine has texture, palate weight, and length with balanced oak, acid, tannin structure. Generosity of fruit on a dry finish
